29 March 2017

Dear Shareholder,

2017 Annual General Meeting

The purpose of this circular ("Notice of AGM") is to provide details of our 2017 Annual General Meeting ("AGM"), which is to be held at the Hong Kong Office of the Company at Suites 1203-4, 12/F., Li Po Chun Chambers, 189 Des Voeux Road Central, Hong Kong on 21 June 2017 at 10:00 a.m. (Hong Kong time).

The Notice of the AGM, containing the resolutions to be considered at the AGM, is set out on pages 7 to 9, and this letter explains each resolution in more detail.

Annual Report and Financial Statements – Ordinary Resolution 1

The business of the AGM will begin with a resolution to receive and adopt the financial statements for the year ended 31 December 2016 as well as the Directors' Report, Directors' Remuneration Report and Auditor's Report in respect of such financial statements.

Retirement and re-election of directors – Ordinary Resolutions 2 and 3

Pursuant to the Company's Bye-Laws, every year approximately one-third of the directors retire by rotation, though they may offer themselves for re-election, and no director shall hold office as a director for more than three years following his election or re-election or appointment or re-appointment and such a director may offer himself for re-election. This year, Mr. Sum Soon Lim and Mr. Kenneth K. Toong, both independent directors for the purposes of the UK Corporate Governance Code, retire as directors by rotation and are seeking re-election. Following performance evaluation, the performance of these directors continues to be effective, each of the directors possesses a wide range of skills and expertise as set out in the Biographies section of the Annual Report, and they demonstrate commitment to their role.

Mr. Sum Soon Lim was appointed at the Company's AGM on 30 April 2009 and is a member of the Remuneration Committee and Chairman of the Audit Committee. He has considerable expertise in the financial industry having worked with, amongst others, the Singapore Economic Development Board, DBS Bank and J.P. Morgan Inc., Overseas Union Bank and Nuri Holdings (s) Pte. Ltd. He was previously also a corporate adviser to the Singapore Technologies Group and Temasek Holdings of Singapore. He is now on the boards of Singapore Technologies Telemedia and National Neuroscience Institute. In his time on the Board, he has contributed considerable knowledge and expertise. The Chairman has confirmed that, following performance evaluation, Mr.

Sum makes an effective and valuable contribution to the Board, brings in impartial and objective judgements and demonstrates extensive experience at a senior leadership level, including devoting an appropriate amount of time, to his role. Mr. Sum's independence was determined by reference to the relevant provisions of the UK Corporate Governance Code. He is not involved in the day to day business of the Company. The Board is satisfied that Mr. Sum is independent in character and judgment and there are no relationships or circumstances likely to affect his judgment. Mr. Sum was recruited by the Board following a recruitment strategy determined by the Board in 2009.

Mr. Kenneth K. Toong was appointed at the Company's AGM on 30 April 2009 and is a member of the Audit and Remuneration Committees. He is a non-executive director of Sun Life Hong Kong Limited. Until his retirement in 2008, he was the deputy head of Asia and head of North Asia, Private Wealth Management for Deutsche Bank AG. Between 2009 and 2011, he was the Chairman, Asia for Clariden Leu Asset Management (Hong Kong) Limited, a wholly-owned subsidiary of Credit Suisse Group. His 30 years of experience in the banking industry around the world have been an asset to the Company. The Chairman has confirmed that, following performance evaluation, Mr. Toong makes an effective and valuable contribution to the Board, plays a crucial supervisory and guidance role on running board meetings and demonstrates skills, knowledge and expertise relevant to the Company's business, including devoting an appropriate amount of time, to his role. Mr. Toong's independence was determined by reference to the relevant provisions of the UK Corporate Governance Code. He is not involved in the day to day business of the Company. The Board is satisfied that Mr. Toong is independent in character and judgment and there are no relationships or circumstances likely to affect his judgment. Mr. Toong was recruited by the Board following a recruitment strategy determined by the Board in 2009.

Brief biographical details relating to the retiring directors are given on pages 36 and 38 of the Annual Report.

Under the United Kingdom Listing Authority listing rules (the "**Listing Rules**"), as the Company is listed on the premium segment of the London Stock Exchange, and because the Company has a controlling shareholder (i.e. Circle Finance Limited and Mega Worldwide Services Limited (together, the "**Controlling Shareholder**"), which controls 30% or more of the votes able to be cast on all or substantially all matters at the Company's general meeting), a dual voting structure applies to the election or re-election of any independent directors. This means that the re-election of Mr. Sum Soon Lim and Mr. Kenneth K. Toong needs to be approved by both (i) the shareholders as a whole; and (ii) the independent shareholders, being any person entitled to vote on the election of directors that is not the Controlling Shareholder.

Accordingly, resolutions 2 and 3 are proposed as Ordinary Resolutions which all shareholders may vote on, but in addition, the Company will separately count the number of votes cast by independent shareholders in favour of the resolution (as a proportion of the total votes of independent shareholders cast on the resolution) to determine whether the second threshold referred to at point (ii) above has been met.

Under the Listing Rules, if either Ordinary Resolution 2 or 3 has not been approved by both a majority vote of the shareholders as a whole and the independent shareholders at the AGM then the relevant independent director will be treated as having been re-elected only for the period from the date of the AGM until the earlier of (i) the close of the general meeting of the Company, convened for a date more than 90, but not more than 120, days after the AGM, to propose a further ordinary resolution to elect him; (ii) the date which is 120 days after the AGM and (iii) the date of any announcement by the Board that it does not intend to hold a second vote. In the event the independent director's re-election is approved by majority vote of all the shareholders at a second meeting, the independent director will be re-elected and shall hold office until re-election on a three-year retirement rotation basis.

As required by the Listing Rules, the Company confirms that there are no existing relationships, transactions or arrangements between any of the independent directors and the Company, any of the Company's directors, the Controlling Shareholder or any of the Controlling Shareholder's associates. Details of the relationship agreement entered into between the Company and the Controlling Shareholder is included in the Directors' Report.

Reappointment of Auditor and authority to fix its remuneration – Ordinary Resolution 4

A resolution to reappoint BDO Limited as the Company's Auditor is proposed. The resolution also authorises the directors to fix the auditor's remuneration.

Authority to allot shares – Ordinary Resolution 5

This resolution is to provide for the directors to continue to have the authority to allot relevant securities. Resolution 5 renews a similar authority given at last year's AGM and authorises the directors to allot shares in the capital of the Company up to a maximum nominal value of USD6,354,046 which represents approximately one third in nominal value of the shares of the Company as at 22 March 2017. This limit is in line with the guidelines issued by The Investment Association.

The resolution also seeks a new authority, in line with the guidance issued by The Investment Association, for the directors to allot shares in the Company up to a maximum nominal value of USD12,708,092 which represents approximately two-thirds in nominal value of the issued share capital of the Company in connection with a pre-emptive rights issue. The guidance issued by The Investment Association recommends that if this additional authority is used and the amount raised in any rights issue is more than one third of the Company's pre-issue market capitalisation, all directors wishing to remain in office should stand for re-election at the next AGM of the Company, and the Board intends to follow this guidance.

The directors have no present intention of exercising these authorities to allot relevant securities, except in connection with the share option scheme approved at the 2010 AGM. The authorities expire at the conclusion of the Company's next AGM, or, if earlier, fifteen months after the date on which the resolution is passed.

Disapplication of pre-emption rights – Special Resolution 6

This resolution would, as in previous years, renew the directors' power to allot relevant securities up to a maximum aggregate nominal value of USD953,107 (representing approximately 5% of the issued share capital of the Company as at 22 March 2017) for cash without first having to offer them to shareholders in proportion to their existing holdings. In addition, in accordance with normal practice, the resolution will enable directors to allot shares for cash in connection with a rights issue or open offer and to deal with shareholders and fractional entitlements as they think fit.

This resolution complies with the relevant guidance issued by the Pre-emption Group and The Investment Association, and the Board confirms its intentions to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling 3 year period where the principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

The power expires at the conclusion of the Company's next AGM or, if earlier, fifteen months after the date on which the resolution is passed.

Authorisation for the Company to purchase its own shares – Special Resolution 7

It is proposed that, in common with many other quoted companies, the Company be given authority to make market purchases of its own shares. This authority will be limited to a maximum of 38,124,277 shares, being approximately 10% of the issued common share capital as at 22 March 2017.

The Board will continue to monitor carefully the capital requirements of the Company and, although at present the directors have no plans to buy back shares, they may consider it prudent to act at short notice if circumstances warrant. The Board will, however, make use of this authority only when satisfied that to do so would be in the best interests of the shareholders and where the expected result of such purchase would be an increase in earnings per share.

The authority will expire at the conclusion of the Company's next AGM or fifteen months after the date on which the resolution is passed, whichever is the earlier. The maximum price (exclusive of expenses) per ordinary share which can be paid on any occasion is limited to the higher of (i) 105% of the average of the middle-market quotations, as derived from the London Stock Exchange's Daily Official List, for the five business days prior to the date of the purchase being made; and (ii) the higher of the price of the last independent trade and the highest current independent bid as stipulated by the Buy-back and Stabilisation Regulations (EC2273/2003).

Under Bermuda company legislation, following the amendments to the Company's Bye-Laws approved by shareholders at the special general meeting held on 19 April 2010, the Company may hold shares purchased as treasury shares, which may then be cancelled, either immediately or at some point in the future, re-sold for cash or transferred in connection with the Company's option plan (if approved). The Board will only hold shares purchased pursuant to this authority where it believes this course to be in the best interests of the Company and its shareholders. A wholly-owned subsidiary of the Company currently holds 3,200,000 Common Shares as treasury shares.

Action to be taken

The Resolutions are subject to shareholder approval. A notice convening the AGM is set out at the end of this circular. A Form of Proxy for use by shareholders or a Form of Direction for use by holders of depository interests, as applicable, in connection with the AGM is enclosed. If you are a shareholder or depository interest holder, you are requested to complete, sign and return the Form of Proxy or Form of Direction, whether or not you intend to be present at the AGM, and return it to Capita Asset Services, The Registry, PXS 1, 34 Beckenham Road, Beckenham, BR3 4ZF, United Kingdom as soon as possible and in any event so as to arrive not later than 4:00 p.m. on 15 June 2017 for Forms of Direction (being 72 hours before the time appointed for the holding of the AGM) and not later than 4:00 p.m. on 16 June 2017 for Forms of Proxy (being 48 hours (weekends and bank holidays excluded) before the time appointed for holding the AGM). If you are a holder of shares in the Company (but not depository interests), the completion and return of a Form of Proxy will not prevent you from attending the AGM and voting in person should you subsequently wish to do so. If you are a holder of depository interests, completion of the Form of Direction will not preclude you from attending the AGM, should you wish. If you hold your shares via the depository interest arrangement and would like to attend the AGM, please contact the Depository, Capita IRG Trustees Limited at The Registry, 34 Beckenham Road, Beckenham, BR3 4ZF, United Kingdom not later than 4:00 p.m. on 15 June 2017.

The quorum for the AGM is two or more shareholders, who are entitled to vote, present in person or by proxy or a duly authorised representative of a corporation which is a member. The majority required for the passing of the Ordinary Resolutions at the AGM is a simple majority of the total number of votes cast for and against such resolutions. The majority required for the passing of the Special Resolutions at the AGM is 75% of the total number of votes cast for and against such resolutions.

CREST members who wish to instruct the Depository how to vote through the CREST system may do so by using the procedures described in “the CREST voting service” section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

Recommendation

The directors believe that all of the proposals set out in the Notice of AGM are in the best interests of shareholders. Accordingly, the Board unanimously recommends that shareholders vote in favour of the resolutions set out in the Notice of AGM as the directors intend to do in respect of their own beneficial holdings amounting in aggregate to 8,249,276 A Shares and 229,706,434 Common Shares, representing approximately 62.94% of the votes capable of being cast at the AGM on a show of hands, or 71.68% on a poll.

I look forward to seeing you at the AGM.

Yours faithfully,

Wu Zhen Tao
Chairman

NOTES:

1. A member of the Company entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and, on a poll or show of hands, to vote on such member's behalf. A proxy need not be a member of the Company, but must attend the Annual General Meeting to represent you. Details of how to appoint the Chairman of the Meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. The notes to the proxy form also explain how to direct your proxy how to vote on each resolution or withhold their vote.
2. A Form of Proxy or Form of Direction for use in connection with the Annual General Meeting accompanies the Notice of AGM. Additional copies may be obtained from Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, BR3 4ZF, United Kingdom.
3. The Form of Proxy and any power of attorney under which it is signed must be delivered or sent to Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, BR3 4ZF, United Kingdom to arrive not less than 48 hours (weekends and bank holidays excluded) before the time appointed for holding the Annual General Meeting. Completion and return of a Form of Proxy will not prevent a member from attending and voting at the Annual General Meeting should she/he so wish.
4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Abstain/Withhold" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
6. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
7. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact the shareholder helpline of Capita Assets Services, at telephone number +44 (0)871 664 0300.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

8. To be effective, the Form of Direction and the power of attorney or other authority under which it is signed, or a certified copy of such power or authority, must be delivered to or delivered by hand during normal business hours to Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, BR3 4ZF, United Kingdom to arrive not less than 4:00 p.m. on 15 June 2017 before the time appointed for holding the Annual General Meeting.
9. Holders of Depository Interests in uncertified form (i.e. in CREST) who wish to instruct the Depository how to vote through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournments of it by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed voting service providers, should refer to their sponsors or voting service providers, who will be able to take the appropriate action on their behalf. For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland's specifications and must contain the information required for those instructions as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to the previously appointed proxy, must, to be valid, be transmitted so as to be received by Capita Asset Services (IDRA10) not less than 72 hours before the time appointed for holding the Annual General Meeting or adjournment as the case may be. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed voting service providers, to procure that its CREST sponsors or voting service providers take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
10. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
11. A person must be registered as the holder of A Shares or Common Shares at 4:00 p.m. on 15 June 2017 in order for such person to be entitled to attend and vote at the Annual General Meeting in respect of the number of A Shares or Common Shares registered in their name at that time.
12. As at 4:30 p.m. on 22 March 2017, the Company's issued share capital comprised 372,161,200 Common Shares of USD0.05 each and 9,081,574 A shares of USD0.05 each. Each Common Share carries the right to one vote at a general meeting of the Company and each A Share carries 20 votes at a general meeting of the Company, 3,200,000 Common Shares are held by a wholly-owned subsidiary of the Company as treasury shares therefore, the total number of voting rights in the Company as at 4:30 p.m. on 22 March 2017 is 550,592,680.
13. Copies of the directors' service contracts and the non-executive directors' terms and conditions of appointment shall be available for inspection at the place of the Annual General Meeting, during the Annual General Meeting and for at least 15 minutes prior to the start of the Annual General Meeting.
